

Alcohol Awareness Week

Save The Date: 13th to 19th November 2017

The Alcohol Service @

Hammersmith & Fulham
Kensington and Chelsea
Westminster

This year's theme is "Alcohol and Families".

The aim of Alcohol Awareness Week is to get people thinking about alcohol – how it affects us as individuals, families, communities and society as a whole.

Did you know that alcohol is linked to over 60 medical conditions? Harm from alcohol goes much further than the liver, it can cause high blood pressure and is also linked to diabetes, depression and cancer.

The Alcohol Service @ Kensington and Chelsea, Hammersmith & Fulham and Westminster will be hosting a number of events across the three boroughs, providing information, advice and support around alcohol.

If you are interested in finding out more email thealcoholservice.info@cgl.org.uk here and we will keep you updated.

Advice and information, alcohol screening and harm minimisation available at all locations
